

ENGLISH

Dear Visitors

Rules of the Road in Japan

Ride your bicycle on the left side of the road. If you must use the sidewalk, keep in mind that pedestrians have the right of way, ride slowly, and keep to the side of the road.

Keep your vehicle to the left.

You need an international driving permit to drive a vehicle in Japan.

(Certain foreign driver's licenses are valid in Japan.)

R

Rules for cyclists

- Ride your bicycle on the left side of the road.
- If you must use the sidewalk, keep in mind that pedestrians have the right of way, ride slowly, and keep to the side of the road.
- Do not drink and ride, ride double, or ride side-by-side with another bicycle.
- Turn on your bicycle's lights at night.
- Stop before entering an intersection, and always obey the traffic signals.
- Children must wear a helmet.

R

Rules for pedestrians

- Vehicles keep to the left in Japan. Before you cross a road, check both sides well, especially your right.
- Use crosswalks and pedestrian bridges to cross a road.
- Do not cross where pedestrian crossing is prohibited.
- At a pedestrian controlled traffic signal, push the button and wait for the light to turn green.

Pedestrian Crossing Prohibited

Push the button to cross the road.

D

Do NOT drink and drive

- You will be severely punished if you drink and drive, or take drugs and drive.
- You will also be punished if you provide alcohol to a driver, or ride with a driver who has been drinking.
- Do not ride your bicycle after you drink.

N

No parking

- Do not park in a No Parking area, or a No Parking or Stopping area.
- Park your bicycle at a bicycle parking lot.

No Parking or Stopping

No Parking
